Dear Dr. Darling:

Thank you very much for your letter of May 10 advising me of your imminent departure for Switzerland and Finland and subsequent assignment to Italy with the Fulbright Commission.

While it would be a great pleasure to see you again, I do not believe that from your point of view a special trip to Washington would be worthwhile. Therefore, I am asking [redacted] to have one of his boys contact you in [redacted] and arrange a mutually convenient time to get together with you for a talk.

Sincerely,

SIGNED
